

### We are all about Labels —

Atam Graphics is a privately held company based in New Delhi, India. Since our inception over two decades ago we have been servicing Apparel and Retail industry with our innovative and cost effective solutions. We have constantly upgraded our machinery and systems to match world's best standards. From 2001, we have increased our product portfolio & services. Started dealing in metal products like metal badges, metal labels, jeans button, jeans rivets, PU leather lables with metal, seal tags, and become a one stop shop for any garment manufacturer for their all accessories requirements. Atam is now catering most of the famous Indian as well as international brands. All of our products are tested for quality assurance with certificate like oeko-tex.

### Our Vision —

Right from conceptualisation of brand to supply of trims and accessories we have successfully partnered our customers. We can supply directly to your locations of production in most efficient way. Our concepts are practical and cost effective driven from low cost ideology. We provide unsurpassed service by listening to each customer's unique requirements and then delivering just the right labels, tags and trims within specified delivery times. Give us a call and put Atam service and quality to work for you.

### Sustainability at Atam Graphics —

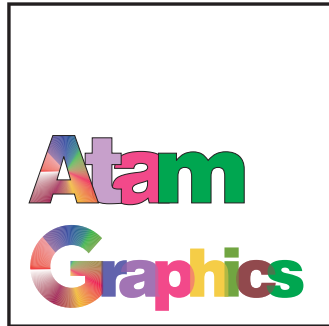

Sustainability means we are working towards requirements of accessories for a garment without compromising nature for the needs of coming generations. Sustainability is a key driver within our industry is committed to ensuring that we can offer you sustainable branding solutions. We adhere to strict codes of practice and invest time and money in certifications to ensure that all our products can offer sustainable. List of products categories in sustainability: STANDARD 100 by OEKO-TEX®, class 1, GOTS certification, Recycled polyester, Organic cotton, FSC®, Recycled paper.
